## **SCARSDALE FORUM MISSION**

Scarsdale Forum Inc. is a 501(c)(3) charitable organization dedicated to community education through discussion and analysis of issues relevant to Scarsdale residents. In existence since 1904, our organization is dedicated to serving the Village of Scarsdale and Mamaroneck Strip community through its educational and charitable mission. The Forum and its members, who are representative of every neighborhood, are committed to providing a platform for meaningful community dialogue about municipal, school and related civic affairs. Forum activities and committee work afford members a variety of opportunities to be informed, to express personal views and to become involved in addressing the issues, choices and solutions that directly impact our community.

Most committees of the Forum study substantive issues within their scope, produce reports for approval by the Forum membership, and submit their feedback and recommendations to elected public officials, Village government and the Scarsdale School District for further consideration and action. The focus of committee work is to help residents become more involved and empowered to contribute to civic life as part of a collaborative, inclusive community where all opinions, ideas and friendships are valued.

Through its numerous public forums, membership meetings, and Sunday Speaker events, the Scarsdale Forum provides educational programming featuring policy updates from elected officials at all levels of county, state and federal government, expert panels on hot topics, and speakers of note, all preceded by a reception with refreshments and combined with public question and answer opportunities.

## **DONOR ACKNOWLEDGEMENT, WITH GRATITUDE**

The Board of Directors extends sincere thanks to each and every one of our members for your unwavering support of the Scarsdale Forum. Your time and effort devoted to committee work and events, together with your generous contributions, sustain our educational mission and serve to advance the unique role we play in the informed civil discourse that is most relevant to our community.

We are grateful for your commitment to the Scarsdale Forum's vitally important educational and charitable activities. You make possible the meaningful dialogue about municipal, school, and civic matters that affect all Scarsdale and Mamaroneck Strip residents. When we address the issues that have an impact on you, your family, and your neighbors through our committee work, and submit those recommendations to local, county, state, and federal public officials for further action, we are offering solutions that have the potential to protect and enrich our community.

Your continued involvement also supports our regularly scheduled membership meetings, public forums, and Sunday Speaker events. These educational programs feature policy updates from elected officials at all levels of government, expert panels on current topics, and renowned speakers, followed by valuable question and answer sessions.

Thank you for helping to make Scarsdale Forum one of the most vibrant civic organizations in our community.

## PAST PRESIDENTS

The arc of the history of Scarsdale Forum Inc. reaches back more than a century. In 1904, The Town Club was founded as a men's only local civic club. In 1972, a membership vote changed the by-laws to welcome all residents regardless of gender. In 1990, The Town Club consolidated with The Village Club, which in 1966 had been formed as a women's only civic club. The new group was named The Town & Village Civic Club (or TVCC).

In 2003, in honor of its centennial anniversary, the organization was formally recognized for its charitable educational mission, achieving 501(c)(3) tax exempt status. Scarsdale Forum has continued in this capacity since 2003, dedicated to informing public discourse through impartial study of issues facing the Scarsdale community.

We acknowledge those individuals who have served as President of our enduring community project, and the legacy of service and commitment they have carried forward through more than 100 years.

## **SCARSDALE FORUM INC.**

### **BY-LAWS**

As amended through April 23, 2020

### **ARTICLE I. MEMBERS**

#### **1.1. Classes of Members.**

(a) Scarsdale Forum Inc. (hereinafter referred to as the "Forum") shall have one or more classes of voting members and such classes of nonvoting members as shall be designated by the Board of Directors.

(b) Membership shall be open to all persons interested in furthering the purposes of the Forum, who are at least eighteen years of age and reside within the Village of Scarsdale and to other persons as authorized by the Board of Directors. Life Members may maintain Forum membership if they no longer reside in Scarsdale.

**1.2. Characteristics of Classes of Members.** The characteristics of each class, and the qualifications and rights of, and limitations upon, the members shall (a) in the case of voting members be as set forth herein or applicable law, and (b) in the case of nonvoting members be as set forth in a resolution of the Board of Directors. Except as expressly otherwise required by law, the voting members shall exclusively possess voting power for the election of Directors and for all other purposes, and nonvoting members shall not vote for any purpose. Each voting member shall be entitled to one vote in any matter coming before a meeting.

**1.3. Admission to Membership.** The initial Directors of the Forum shall be the initial voting members. Thereafter, except as specifically designated pursuant to Section 1.2, a person shall become a voting member or nonvoting member in accordance with procedures adopted by the Board of Directors.

**1.4. Roster of Members.** A roster of members, with their periods of membership, shall be maintained under supervision of the Secretary. For purposes of determining when a member joined the Forum, reference shall be made to the length of membership in the Forum, The Town and Village Civic Club Education Forum Inc., The Town and Village Civic Club, The Village Club of Scarsdale, Inc., and The Town Club. The earliest date of joining any of these organizations shall be the date used to determine the tenure of membership in the Forum. Years of concurrent membership in any of the named organizations shall not be added together to calculate total years of membership in the Forum.

**1.5. Membership Applications.** Each application for membership shall be made in writing on the form to be supplied by the Secretary. The form, signed by the applicant and accompanied by the initial dues payment, shall be forwarded to the Secretary. The applicant shall become a member of the Forum upon receipt by the Secretary of the signed form and dues payment. The Secretary shall submit to the Board of

Directors at least once each two months a list containing the name of each new member. The names of new members admitted since the previous meeting of the Forum shall be sent to members with the notice of the next regular membership meeting of the Forum.

#### 1.6. Membership Dues.

(a) The Board of Directors, at its meeting preceding the Forum's annual meeting, shall, subject to any applicable provisions of these By-Laws, fix the yearly membership dues for the ensuing year. These dues shall be payable on admission to the Forum and thereafter on the first day of each fiscal year. The fiscal year shall end on April 30th. Any member in arrears for sixty days shall be so notified by the Treasurer, and if such member shall then fail to pay the dues in arrears within sixty days after notification, such member shall be dropped from the roll.

(b) Any member who has completed thirty years of membership shall automatically become a Life Member and no longer be required to pay dues.

(c) The Board of Directors, at its discretion, may, from time to time, designate as an Honorary Member, without payment of dues, any member who, in its judgment, has served the Forum or the Village of Scarsdale faithfully, or with distinction, or has rendered special and valuable service, or who because of physical disability or other good and sufficient reason might not be able to continue as a member.

(d) The Board of Directors may, at its discretion, add or delete categories of membership other than those provided for in these By-Laws, provided that no deletion shall end a period of membership until the end of the then current Forum fiscal year (or later date specified in the terms pertaining to the membership categories).

(e) Dues paid by new members joining during the last quarter of a fiscal year shall also cover their membership dues for the succeeding year. (f) No dues shall be chargeable to any member who is a member of the clergy actively and regularly engaged in connection with any church, synagogue or parish in Scarsdale.

(g) The Board of Directors upon written request of a member who is serving on active duty in the armed forces of the United States may reduce or excuse payment of dues for the period of such service.

1.7. Termination of Membership. Any member may resign at any time by written notice to the Forum. Resignation shall not entitle the resigning member to any refund of current year dues previously paid. A member may be removed by the Board of Directors with or without cause by a vote of the majority of voting members.

### ARTICLE II. MEMBERSHIP MEETINGS

2.1. Meetings. The Forum shall hold four or more regular meetings (including the annual meeting) in each fiscal year of the Forum. Meetings shall be held at such place, within or without the Village of Scarsdale, as the Directors may from time to time fix. The first of these meetings after the annual meeting shall be held in October. Additional meetings may be held during the year, at times to be designated and arranged by the Executive Committee or the Board of Directors. The annual meeting, for the purpose of electing officers, Directors at Large, and two Nominating

Committee members as herein provided, shall be held in May or June of each year.

2.2. Notices of Meeting. In addition to notice pursuant to applicable law, notice or supplementary notice of each regular or special meeting shall be given at least five days in advance of the meeting and shall include an agenda briefly describing the subjects to be considered. No substantive resolution shall be adopted at any regular meeting approving or disapproving any statement or policy, or advocating or endorsing any principle or course of action, unless the subject and substance of the resolution were described in the notice of the meeting or otherwise sent to each member of the Forum at least five days in advance of the meeting at which such action is to be taken. If submitted on written request of ten or more members, the notice of the meeting shall include a brief description of the subject matter proposed for consideration by the members, together with the substance of any proposed resolution and (if applicable) a Committee report or other concise additional information bearing on the subject. If a written report of a Committee is to be presented for approval, a copy thereof shall also be made available to the members at least five days in advance of each meeting at which such action is to be taken.

2.3. Nominations. At the annual meeting of the Forum, a Nominating Committee of five members shall be formed, of whom three (including the Chairman) shall be selected by the Board of Directors then serving and two elected by the members from nominations made from the floor. This Committee shall present, at the regular membership meeting preceding the annual meeting, a list of candidates for the positions to be filled by the Nominating Committee according to the By-Laws. Other candidates for these positions may be placed in nomination exclusively by notification to the Secretary in writing, subscribed to by at least ten members, sufficiently in advance of the annual meeting to enable the Secretary to include in the notice of such annual meeting a statement of such nominations. The Secretary shall, in the notice of the annual meeting, state the names of all nominees for the offices to be filled at such meeting, indicating those nominated by the Nominating Committee and those nominated by petition.

2.4. Special Meetings. Special meetings may be called by the Executive Committee or the Board of Directors on written notice, addressed to each of the members, designating the place of the meeting and stating the business proposed to be considered at the meeting. Only such business may be transacted at a special meeting as is specified in the written notice.

2.5. Quorum. At all meetings of the Members, ten percent (10%) of the Members eligible to vote (or 100 Members eligible to vote, whichever is less), present in person shall constitute a quorum for the transaction of business. Except as provided in Section 2.6, proxies may be presented solely for quorum purposes and shall not entitle the proxy holder as such to vote on any other matter. In the absence of a quorum, the Members present in person may adjourn the meeting from that time until a quorum is present. Notice of the new meeting is not required if the time and place for the new meeting is announced at the meeting at which the adjournment is taken, and at the new meeting any business may be transacted which might have been transacted at the meeting as originally called.

2.6. Emergency Meetings. In any situation where the officers in their reasonable discretion determine that, because of a national or regional emergency, an unlimited in person meeting of members may be unlawful or impracticable, the officers may give notice of a meeting of members at such date, and time, and place, and any limited in person attendance, as they shall designate, with the entire or substantially

entire meeting to be conducted, including by teleconferencing and/or video conferencing, in such manner as they shall specify. In such event, the officers may also authorize proxy participation in said meeting, which need not be limited to quorum purposes only, using such proxy forms and procedures as they shall specify.

**2.7. Rules of Order.** The meetings of the Forum shall be conducted in accordance with the latest edition of "Robert's Rules of Order Newly Revised" except as otherwise provided in these By-Laws.

**2.8. Certain Motions.** A motion to table and a motion to adjourn shall be ruled out of order if the effect thereof would be to cut off discussion of a proper subject for Forum consideration before a reasonable time has been allowed for discussion. **2.9. Meeting Adjournment.** Each meeting shall be adjourned no later than 10 o'clock p.m. unless a motion to continue it beyond that hour is made and carried.

### **ARTICLE III. BOARD OF DIRECTORS**

**3.1. Directors.** There shall be a Board of Directors composed of the officers of the Forum, the immediate Past President, the Chairman of the Nominating Committee, the Chairman of each Standing and Special Committee, and nine Directors at Large.

**3.2. Directors-at-Large.** At its annual meeting, the Forum shall elect three members as Directors at large for a term of three years or until successors have been elected.

**3.3. Executive Committee.** There shall be an Executive Committee of the Board of Directors of nine members, designated from among members of the Board in a resolution adopted by a majority of the entire Board. It is anticipated that ordinarily the Board members so designated to the Executive Committee shall include the President, the Vice President, the Secretary, the Treasurer and the immediate Past President.

**3.4. Interim Executive Committee.** An individual who is a member of the Executive Committee at the time of the annual meeting shall continue as a member of the Board of Directors following such meeting and shall remain a member of the Executive Committee until such time as the Board of Directors designates new members of the Executive Committee.

**3.5. Authority of Board of Directors.** The Board of Directors shall have general charge of the affairs of the Forum, except in matters in which action by the membership is required, or concerning matters in which these By-Laws or the membership may otherwise specifically limit the role of the Board of Directors.

**3.6. Authority of the Executive Committee.** Subject to any limitations specifically imposed by the Board of Directors, the membership or Section 712 of the Not-for-Profit Corporation Law or other applicable law, the Executive Committee of the Board of Directors shall possess and may exercise all of the powers of the Board of Directors between meetings of the Board, including but not limited to the forwarding to members or release of Committee reports pursuant to these By-Laws.

**3.7. Regular Meetings of Board.** A meeting of the Board of Directors shall be held in advance of each scheduled meeting of the Forum, at such time and place as the Board of Directors may determine, or, in the absence of such determination, at such

time and place as the President shall designate. Written notice of each regular meeting shall be given to all members of the Board at least seven days in advance.

3.8. Special Meetings of Board. The President or any five members of the Board of Directors may call a special meeting of the Board of Directors at such time and place as may be designated in the notice of the meeting. Written notice of each special meeting shall be given to all members of the Board at least two days in advance, and if given by mail may be given by either U.S. mail or e-mail (or a combination thereof). Such notice shall state the matter or matters to be considered, and, in the absence of unanimous written consent by all members of the Board (whether or not attending the meeting), no other matters shall be acted on at the meeting.

3.9. Meetings of Executive Committee. The President or any three members of the Executive Committee of the Board of Directors may call a meeting of the Executive Committee at such time and place as may be designated in the notice of meeting. The notice of the meeting may be written or oral, and if given by mail may be given by either U.S. mail or e-mail (or a combination thereof). Notice of a meeting of the Executive Committee to any member shall be sufficient if it is written and given to the member at least two days in advance of the meeting or oral and delivered to the member or any other person found at the member's home at least twenty-four hours in advance of the meeting.

3.10. Board of Directors and Executive Committee Assignments. The President, Vice President, and Secretary shall be, respectively, the Chairman, Vice Chairman and Secretary of the Board of Directors and, subject to their designation to the Executive Committee, of the Executive Committee. At every meeting of the Board of Directors or the Executive Committee, the Chairman of the Board, or if the Chairman shall be absent, the Vice Chairman or other designee of the Board of Directors, or, if none be present, the appointee of the meeting, shall preside. The Secretary, or if the Secretary shall be absent, an Assistant Secretary, or if none be present, the appointee of the presiding officer of the meeting, shall act as secretary of the meeting.

3.11. Quorum. A majority of the members of the Board of Directors in office at the time shall constitute a quorum at any regular or special meeting of the Board. A majority of the members of the Executive Committee of the Board of Directors in office at the time shall constitute a quorum at any meeting of the Committee.

3.12. Emergency Meetings of Board and Committees. In any situation where the officers in their reasonable discretion determine that, because of a national or regional emergency, an unlimited in person meeting of the Board or a committee may be unlawful or impracticable, such meeting during the emergency may proceed as provided elsewhere in the By-Laws, with the notice of meeting including the date, and time, and place, and any limited in person attendance, as designated, with the entire or substantially entire meeting to be conducted, including by teleconferencing and/or video conferencing, in such manner as specified.

3.13. Rules of Order. The meetings of the Board of Directors shall be conducted in accordance with the latest edition of "Robert's Rules of Order Newly Revised" except as otherwise provided in these By-Laws.

3.14. Vacancies, Resignations and Removals.

(a) A vacancy in any office, or in the Board of Directors, or in the Nominating Committee, shall be filled by the Board of Directors at any regular meeting or at any

special meeting called for that purpose. Any vacancy in the Executive Committee, other than an officer, shall be filled by the appointment of another member of the Board of Directors. A vacancy in any other committee shall be filled by the President.

(b) Any Director may resign at any time by written notice to the Forum. A Director may be removed with or without cause by the voting members.

## **ARTICLE IV. OFFICERS; NOMINATING COMMITTEE**

4.1. Officers. The officers of the Forum shall be a President, a Vice President, a Secretary, and a Treasurer, and such other officers, if any, as may be provided pursuant to these By-Laws.

4.2. Election of Officers. At the annual meeting of the Forum, the members present shall elect, from among the members of the Forum, the Vice President, Secretary, and Treasurer, and such other officers, if any, as may be provided in these By-Laws, each of whom shall serve for a term of one year (or until their successors have been elected).

4.3. Elected Vice President. The member who is elected Vice President at the annual meeting (and so designated if more than one Vice President shall be elected) shall, upon the election of his or her successor, and without any further action by the membership, become the President of the Forum for the ensuing year.

4.4. Additional Officers. The Board of Directors may designate to the Nominating Committee one or more additional offices to be elected at the next annual meeting. The Board of Directors, at the request of the President, may also appoint additional officers to serve concurrently with the term of the President, and the Board of Directors shall also be empowered to delete any appointed officer position during the course of that year, provided that no deletion of a position shall reduce the term of any person then serving as an officer of the Forum. At any time when more than one Vice President shall have been elected or appointed for a term, the elected Vice President identified as the person to become President of the Forum for the ensuing year pursuant to Section 4.3 of these By-Laws shall be designated as the First Vice President.

4.5. Duties and Authority of Officers. The officers of the Forum shall perform the duties and have the authority which usually pertain to their respective offices, and such other duties and authority as may be assigned to them by the Board of Directors or by the President.

4.6. Nominating Committee Formation. Not later than January 15th of each year, the President shall invite all members of the Board of Directors to submit to the President, prior to February 1st, names of members of the Forum to be considered in connection with the Board's selection of three members of the Nominating Committee to be formed at the next annual meeting of the Forum in accordance with Section 2.3 of these By-Laws. The President, the Vice President (identified in Section 4.3 of these By-Laws) and the three Directors at Large who are completing their second year term shall present recommendations at the meeting of the Board at which such selection is to be made. Any member of the Board at such meeting may present any additional name or names for consideration in the making of the selection. Two additional members of the Nominating Committee shall be elected by the membership from nominations from the floor at the annual meeting as provided in Section 2.3 of these By-Laws. No member of the Nominating Committee may be proposed for any

elective officer position for the ensuing year.

4.7. Nominating Committee Duties. The Nominating Committee shall nominate a Vice President, a Secretary, a Treasurer, three Directors-at-Large, and additional officers (if any) designated to it for the next year by the Board of Directors, to be elected by the Forum at the annual meeting for one-year terms (or until successors may be elected) in accordance with these By-Laws.

4.8. Suspension or Removal of Officers. The authority, duties or responsibilities of any officer of the Forum may be suspended, with or without cause, by the President, with a report of such action to be promptly provided to the Board of Directors. Any officer elected or appointed by the Board of Directors may be removed by the Board of Directors with or without cause.

5.5. Committee Actions. Each committee shall study and report on matters within its scope and make reports thereon to the membership, the Board of Directors or the President in accordance with Article VI of these By-Laws.

## **ARTICLE VI. REPORTS AND STATEMENTS**

### **6.1. Committee Reports.**

(a) Chairmen of Committees shall keep the Board of Directors informed as to subjects on which their respective Committees desire to report to the Forum or which they desire to bring up for discussion by the Forum. Before a Committee report is presented to the Forum, it shall be discussed with the Board of Directors, which shall be informed, as fully as circumstances will permit, as to its text or substance. The Board shall determine precedence (i) in the presentation of Committee reports to the Forum and (ii) as to subjects to be brought up by Committees for discussion by the Forum. It is not the function of the Board to instruct any Committee as to conclusions or recommendations to be contained in its report. The scheduling of a Committee report for presentation to the Forum shall not constitute an endorsement by the Board of the conclusions or recommendations expressed in such report.

(b) Reports of Committees shall be accurate in all material respects and, when appropriate, shall set forth the principal considerations before the Committee in favor of or against such conclusions or recommendations.

(c) The Board of Directors, by a vote of a majority of the Directors in office at the time or of two thirds of the Directors present at any meeting at which a Committee report shall be presented, whichever is greater, may recommit a report which does not comply with Section 6.1(b) and in so doing may request the Committee to consult with one or more other Committees of the Forum. No report of a Committee may be recommitted more than once.

(d) Whenever it is appropriate in view of the nature and content of a Committee report, a short summary of the Committee's conclusions and recommendations and the exact wording of any resolution to be presented by the Committee should be set forth at or near the beginning of the report.

(e) (1) In the case of any report prepared by a Committee under either Section 6.1(a) or 6.1(f), the Board may, in addition with respect to a report prepared under Section 6.1(a) or in place of release with respect to a report prepared under Section 6.1(f), may in its discretion use the Discussion Draft Procedure set forth in this subsection.

(2) If applying the Discussion Draft Procedure, the Board shall first determine that the report satisfies the requirements of Sections 6.1(b) and 6.1(d). In this connection, it is not the function of the Board to instruct any Committee as to conclusions or recommendations to be included in the report, and precedence and scheduling shall be as provided in Section 6.1(a). The Board then may authorize release of the report to the public prior to its submission to the Forum, in which event the report shall have in bold type in its heading the following legend:

**THIS REPORT HAS BEEN PREPARED UNDER THE DISCUSSION DRAFT PROCEDURE OF THE SCARSDALE FORUM INC. BY THE COMMITTEE WHOSE MEMBERS' NAMES APPEAR BELOW. IT HAS BEEN AUTHORIZED BY THE BOARD OF DIRECTORS (EXECUTIVE COMMITTEE) OF THE FORUM FOR RELEASE TO THE PUBLIC, BUT IT HAS NEITHER BEEN APPROVED BY THE BOARD OF DIRECTORS (EXECUTIVE COMMITTEE) NOR SUBMITTED TO THE FORUM MEMBERS FOR THEIR APPROVAL.**

Any oral presentation of the report shall start with a statement substantially similar to the above legend.

(f) (1) Notwithstanding anything to the contrary set forth above, the President may assign a specific subject to a Committee for the preparation of a report under this Section 6.1(f) (Expeditious Treatment Procedure). Each such assignment shall be in writing and shall set forth the reasoning why the subject should be handled under this Section 6.1(f).

(2) The Committee shall submit to the President its proposed report in writing and the President, if still believing that the subject matter warrants Expeditious Treatment, shall send the report to each member of the Board of Directors. Unless a meeting of the Board already scheduled is sufficiently timely for purposes of the proposed report, the President shall then call a special meeting of the Board to consider the report or, if a meeting of the full Board is not practicable, shall call a special meeting of the Executive Committee for such purpose. If the Board of Directors (or Executive Committee) approves the report by a vote of at least two thirds of the members present at the meeting (a quorum being present), it may authorize release of the report to the public prior to its submission to the Forum, in which event the report shall have in bold type in its heading the following legend:

**THIS REPORT HAS BEEN PREPARED UNDER EXPEDITIOUS  
TREATMENT PROCEDURE OF THE SCARSDALE FORUM INC. BY THE  
COMMITTEE WHOSE MEMBERS' NAMES APPEAR BELOW. IT HAS  
BEEN APPROVED BY THE BOARD OF DIRECTORS (EXECUTIVE  
COMMITTEE) OF THE FORUM AND AUTHORIZED FOR RELEASE TO  
THE PUBLIC, BUT IT HAS NOT YET BEEN SUBMITTED TO THE FORUM  
MEMBERS FOR THEIR APPROVAL.**

Any oral presentation of the report shall start with a statement substantially similar to the above legend.

(3) After a report has been released to the public under Expeditious Treatment Procedure, the Board of Directors shall immediately cause the report to be made available to the membership with an explanatory statement of the reasons for its public release, and the Board shall submit the report to the Forum at the next regular membership meeting so that the Forum may take whatever action it may deem appropriate.

(g) Committees shall have the authority and responsibility to monitor action on and response to their reports (which have been approved by the membership of the Forum, or the Board of Directors or the Executive Committee and authorized for release to the public under the Expeditious Treatment Procedure) by the governmental bodies, organizations or private agencies to which such reports have been forwarded.

## 6.2. Reports of Board Action.

(a) No reports respecting action taken or subjects discussed at meetings of the Board of Directors shall be given to the press or the public, except as the Board or the President may authorize.

(b) If the President shall determine that it is impracticable within reasonable time limits for a Committee to prepare a report for submission to the Forum on a specific subject or for a Committee to submit a proposed report to be dealt with in accordance

with Section 6.1(f) and that it is in the best interest of the Forum that the President, either through a written statement or oral presentation, take a public position with respect to such subject, the President shall be authorized to make such oral presentation or written statement in substantially the form approved by the Board of Directors (or, if a meeting of the full Board is not practicable, by a special meeting of the Executive Committee) and the oral presentation or written statement shall be approved by a vote of at least two thirds of the members of the Board (or Executive Committee) present at the meeting, a quorum being present. Any such written statement shall have in bold type in its heading the following legend:

**THIS WRITTEN STATEMENT IS BEING MADE BY THE PRESIDENT OF THE SCARSDALE FORUM INC. AND HAS BEEN APPROVED BY THE BOARD OF DIRECTORS (EXECUTIVE COMMITTEE) OF THE FORUM AND AUTHORIZED FOR RELEASE TO THE PUBLIC. IT EXPRESSES ONLY THE VIEWS OF THE BOARD (EXECUTIVE COMMITTEE) AND HAS NOT BEEN SUBMITTED TO THE FORUM MEMBERS FOR THEIR APPROVAL.**

Any such oral presentation shall start with a statement substantially similar to the above legend.

(c) The President shall report to the Forum at its next regular meeting any action taken in accordance with the provisions of Section 6.2(b).

6.3. Reports of Audit. The Board of Directors shall provide for an annual audit of the books of the Forum by a professional auditor or an auditing committee of three members. The report of the auditor or auditing committee shall be sent to all members with the notice of the annual meeting, together with such additional information as complies with Section 519 of the Not-for-Profit Corporation Law.

## **ARTICLE VII. FINANCE**

7.1. Budget. A budget for the ensuing year shall be submitted to the membership by the Board of Directors for adoption at the annual meeting. The proposed budget shall be sent to all members with notice of the annual meeting.

7.2. Appropriations. The Board of Directors shall have the sole power to make appropriations, subject to the veto power of the membership as hereinafter provided. At the request of five or more members of the Board, any proposed appropriation shall be postponed until the next meeting of the Board, provided that only one such postponement may be had. At the request of five or more members of the Board, any appropriation made shall be submitted to the membership at its next meeting for its approval or veto.

## **ARTICLE VIII. GENERAL PROVISIONS**

8.1. Indemnification. To the fullest extent permitted by the Act, the Forum shall indemnify any current or former Director or officer of the Forum and may, at the discretion of the Board of Directors, indemnify any current or former employee or agent of the Forum against all expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed action, suit or proceeding brought by, in right of or in respect to the Forum or otherwise, to which such person was or is a party or is threatened to be made a party by reason of current or former position with the Forum or by reason of presently or previously serving, at the request of the Forum, as a

director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

8.2. Seal. The seal of the Forum shall be circular in form and shall bear, in addition to any other emblem or devise approved by the Board of Directors, the name of the Forum, the year of its incorporation and the words "New York". The seal may be used by causing it or a facsimile thereof to be impressed or affixed or in any other manner reproduced.

8.3. Amendments. These By-Laws may be amended by the members of the Forum at any regular meeting or at any special meeting called for this purpose by a majority vote of the members present and voting, provided that due notice of the proposed amendment(s) shall have been given to the members not less than five days in advance in writing. The Board of Directors shall also have power, by majority vote of the entire Board, to amend or repeal any of these By-Laws, and to adopt new By-Laws. Any By-Laws adopted by the Board of Directors may be amended or repealed by the members, and, except as otherwise specifically directed by the members, any By-Laws adopted by the members may be amended or repealed by the Board of Directors.

8.4 Termination of Certain Provision. Effective as of June 30, 2022, the second sentence of Section 2.5 and the entirety of Sections 2.6 and 3.12 of these By-Laws shall terminate and be of no further force and effect, and the second sentence of Section 2.5 as in effect immediately before the adoption of the above referenced sections shall thereupon be reinstated. The By-Laws shall thereafter be in full force and effect without the terminated provisions, subject to any further amendments authorized by the members or the Board of Directors, as permitted by these By-Laws. Following such termination, the By-Laws may be restated and renumbered as necessary to reflect such terminations without further action by the members or the Board.
