

BGMC is Boys and Girls Missionary Challenge. It is a missions program through the Assemblies Of God for kids to be involved in meeting critical needs all around the world. BGMC is offering a scholarship to assist with funds for Bible Camp. This money has been set aside by the NCAG and made available by the US MISSIONS through BGMC for a child most in need of assistance. Our desire is to make camp a place to encounter Jesus in a personal way and we want to make this experience available to anyone who desires.

We ask a few questions to understand your heart and situation. It should be noted that at this time we have only a limited amount of scholarships available so not everyone applying will receive a scholarship.

All applications must be turned in by May 25.
