

2022 APPLIANCE REBATE APPLICATION

Forms cannot be emailed, faxed, or mailed. All forms must be uploaded to the Texas Saves with Propane web portal.

REQUIREMENTS

1. Propane marketer must register with program. Sign-up at www.txssaveswithpropane.com.
2. A copy of the completed application (includes PDF and online).
3. An appliance proof of purchase dated on or after January 1, 2022 (e.g. sales receipt or invoice with zero balance or marked paid). Please see guidelines for additional New Construction options.

NOTE: This form must be signed by both the rebate recipient and propane marketer. Application must be submitted by the propane marketer ONLY (on behalf of recipient).

The completed application and proof of purchase must be **uploaded** with accompanying required documentation via our secure web portal at www.txssaveswithpropane.com.

The Texas Saves with Propane Program will be open during the 2022 calendar year until funds are exhausted. The Propane Council of Texas reserves the right to end this program at any time without notice.

I understand and agree to all rules and conditions for participation in the program. I acknowledge that the installation at this location is eligible for this program and that the installation meets all PROPANE COUNCIL requirements. I hereby declare that I am authorized to sign this application and that the information stated herein is accurate. I also understand that as an active company representative, I am responsible for ensuring that the safety inspections performed by the company's designated agents comply with PROPANE COUNCIL requirements. By signing this application, I affirm that this installation passed the safety inspection as defined in the program rules. I will make the consumer aware that the program will continue only as long as funding permits and that the application is valid for only 30 days after the safety inspection is performed.

Propane Appliance Texas Installation Address

Installation Address: _____ City: _____ State: **TX** Zip: _____

Date of Propane Safety Inspection: _____ If installation address different than
mailing address explain why: _____

Submission of the application form constitutes a representation on the part of the participating propane marketer that the work shown on the form has actually been completed. I have inspected the equipment and performed a safety inspection at the address listed above in accordance with the standards set forth by the state regulation. As a result of that inspection, I have determined that the equipment meets all of the applicable standards, code, and regulations in Texas for authority having jurisdiction and complies with manufacturer's installation instructions.

The Propane Council of Texas (ProCOT) assumes no responsibility whatsoever for the installation, inspection, or testing of the qualifying propane appliance or any associated gas system and, by issuing a rebate, makes no representation, warranty, or guarantee regarding the qualifying appliance or the associated gas system. The Propane Council of Texas disclaims any liability for any personal injury, property damage, business losses, or other damages of any nature whatsoever, whether special, indirect, consequential, or compensatory, directly or indirectly arising from the installation of the qualifying propane appliance.

Propane Technician's Printed Name: _____
