## **Lyrics**

### **#396, I Know This Rose Will Open**

I know this rose will open.  
I know my fear will burn away.  
I know my soul will unfurl its wings.  
I know this rose will open.

### **#1031, May I Be Filled with Loving Kindness**

May I be filled with loving kindness. May I be well.  
May I be filled with loving kindness. May I be well.  
May I be peaceful and at ease. May I be whole.

May you be filled...

May we be filled...

### **“Somewhere” ~ Stephen Sondheim, Leonard Bernstein**

There's a place for us  
Somewhere a place for us  
Peace and quiet and open air  
Wait for us somewhere

There's a time for us – Someday a time for us  
Time together with time to spare  
Time to learn, time to care

Someday – Somewhere  
We'll find a new way of living  
We'll find a way of forgiving – Somewhere...

There's a place for us,  
A time and place for us.  
Hold my hand and we're halfway there.  
Hold my hand and I'll take you there  
Somehow, Someday, Somewhere!

### **#96, I Cannot Think of Them as Dead**

I cannot think of them as dead who walk with me no more;  
along the path of life I tread they are but gone before,  
they are but gone before.

And still their silent ministry within my heart has place  
as when on earth they walked with me and met me face to face,  
and met me face to face.

Their lives are made forever mine; what they to me have been  
has left henceforth its seal and sign engraven deep within,  
engraven deep within.

Mine are they by an ownership nor time nor death can free;  
for God has given to love to keep its own eternally,  
its own eternally.

### **#123, Spirit of Life**

Spirit of Life, come unto me.  
Sing in my heart all the stirrings of compassion.  
Blow in the wind, rise in the sea;  
move in the hand, giving life the shape of justice.  
Roots hold me close, wings set me free;  
Spirit of Life, come to me, come to me.
