

Join the CUUC Virtual Choir!

Last year the CUUC Choir's diligent work – rehearsing virtually and creating their personal videos that were edited together – resulted in ten full choir videos. It is an amazing accomplishment that was celebrated with such praise and recognition from the congregation, the BOT, and the ministry for which we are very grateful. Two of our videos were included in the UU Virtual Choir Festival that was hosted by the UUAMM last May, which was a tremendous honor. Singers from around the country joined in to sing with us during the winter and spring, including choir members from other UU congregations in Westchester, which was a wonderful experience for all of us.

Now, those singers are involved again with their own choirs as other congregations begin to rehearse virtually and are creating their own videos. As a result, the CUUC Choir is in need of new members and are inviting those that enjoy singing to join us.

Singing brings joy. Participating in the videos is a very satisfying accomplishment. Rehearsing with each other each week is a pleasure and promotes a feeling of camaraderie and provides emotional support.

We will assist you with learning the technology, which is not difficult once you know what to do. (We laugh a lot at the technical problems!) The only requirement to participate is that you must be able to match pitch. You do NOT have to be able to read music – many of our choir members do not. Through practice audio files, conducting videos, and weekly rehearsals which we record for reference, an hour of your time for the weekly rehearsal is all that you need and you can work with the study tools at your own convenience between weekly rehearsals.

All voice parts are welcome. Please contact Lisa Meyer, Choir Director at musiciansings@yahoo.com or at 347-278-3187 for more information. We hope to hear from you!
