

## **Transgender Day of Visibility, Saturday, March 31**

Transgender Day of Visibility (TDOV) is a day to show support for the trans community! Every March 31st, TDOV aims to bring attention to the accomplishments of trans people everywhere while fighting cissexism and transphobia by spreading understanding of trans people. This year's theme is "surviving, thriving" (#TransThriving). Visibility is not about being seen as an individual: it's working together to transform society.
