

Warm fall greetings to all!

Our next Midnight Run at FUSW is on Friday, November 8th. We were short volunteers last run. This is our last run of 2019. Please join us! People count on us! And we count on each other as volunteers to make a run smooth, effective, and fun.

We will meet at **7:15pm at FUSW** (25 Old Jackson Ave, Hastings-on-Hudson) to prepare and pack food, clothing and toiletries. Around 9pm, we will head into NYC where we'll have 4-5 stops and provide warm clothes, hot food, and friendly conversation to hungry and often homeless persons in NYC.

There are many ways to **support this run**. Please follow this link to **donate meal prep items** and volunteer your time to make bagged lunches, organize clothing and toiletries, and drive into the city to deliver these items, serve hot soup, and engage in conversation.
