CHALICE LIGHTING

~Rev. Scott Tayler

Karen Leahy

We gather knowing that our light can't reconstitute itself.

Without each other a coldness sets in.

Leaning on each other, trusting each other,

helping each other fall back in love with life

over and over again—only from this does the flame emerge.

Today, may it rise again!

LYRICS

#1, May Nothing Evil Cross This Door

May nothing evil cross this door,
and may ill fortune never pry
about these windows. May the roar and rain go by.

By faith made strong, the rafters will
withstand the battering of the storm.
This hearth, though all the world grow chill,
will keep you warm.

Peace shall walk softly through these rooms,
touching our lips with holy wine, till
every casual corner blooms
into a shrine.

#396, I Know This Rose Will Open

I know this rose will open.
I know my fear will burn away.
I know my soul will unfurl its wings.
I know this rose will open.

#1015, I Know I Can

Though days be dark with storms
And burdens weigh my heart;
Though troubles wait at ev'ry turn,
I know I can go on.

When sorrow heals my soul
And burdens make me strong,
Though troubles wait at ev'ry turn,
I know I can go on.

And though the journey is long,
The destination is near,
Though troubles wait at every turn,
I know I can go on.

LYRICS (CONT'D)

So siblings take my hand,
and neighbors sing my song.
When hope awaits at every turn,
I know we will go on.

Lean On Me

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on
