Call to Presence
~Rev. Bob Janis-Dillon

Kathy Williams

Here within these walls, here in this community of love and justice, we pause in our busy lives, to consider what is worthy of our deepest yearnings. In the time we are given here, may we pay attention to the wonder of each moment, may we grieve what is lost, and may we be grateful for our life on this beautiful earth. And may we prepare ourselves for the work love calls us to do. Just as we are, may we be the beloved community.

What We Attend, Grows
~Daniel Chesney Kanter

Kathy

We may pay attention, but it returns on its investment. What we attend, grows. What we focus on, clarifies. Who we hold in our hearts, is comforted. Our minds are the mind of the universe. Our attention connects us to each other and to all that is.

LYRICS

#368, Now Let Us Sing

Now let us sing, sing, sing Sing to the power of the faith within.
Now let us sing, sing, sing Sing to the power of the faith within.
Lift up your voice, be not afraid; Lift up your voice, be not afraid;
Sing to the power of the faith within. Sing to the power of the faith within.

Sing to the power of the hope within...
Sing to the power of the love within...
Sing to the power of the joy within...

#126, Come Thou Fount of Every Blessing

Come, thou fount of ev'ry blessing,
tune our hearts to sing thy grace.
Streams of mercy never ceasing,
Call for songs of loudest praise.
While the hope of life's perfection
fills our hearts with joy and love,
teach us ever to be faithful,
may we still thy goodness prove.

Come, thou fount of ev'ry vision,
lift our eyes to what may come.
See the lion and the young lamb
dwell together in thy home.
Hear the cries of war fall silent,
Feel our love glow like the sun.
When we all serve one another,
Then our heaven is begun.

Come, thou fount of inspiration,
Turn our lives to higher ways.
Lift our gloom and desperation,
Show the promise of this day.
Help us bind ourselves in union,
Help our hands tell of our love.
With thine aid, O fount of justice,
Earth be fair as heav'n above.

LYRICS CONT'D

This Joy by Shirley Caesar

This joy that I have, the world didn't give it to me [3x]
The world didn't give it, the world can't take it away

#131, Love Will Guide Us

Love will guide us, peace has tried us,
hope inside us will lead the way
on the road from greed to giving.
Love will guide us through the hard night.
If you cannot sing like angels,
if you cannot speak before thousands,
you can give from deep within you.
You can change the world with your love.
Love will guide us, peace has tried us,
hope inside us will lead the way
on the road from greed to giving.
Love will guide us through the hard night.

"Here Comes the Sun" by Lennon/McCartney

Here comes the sun, doo-doo-doo
Here comes the sun and I say, "It's all right"

Little darlin' - It's been a long, cold, lonely winter
Little darlin' - It feels like years since it's been here

Here comes the sun, doo-doo-do
Here comes the sun and I say, "It's all right"

Little darlin' - The smiles returning to the faces
Little darlin' - It seems like years since it's been here

Here comes the sun
Here comes the sun, and I say, "It's all right"

Sun, sun, sun, here it comes [4x]
