Collection of Both **NEW**, and
Clean, Gently USED Items

Now through Sun Jan 10, 2021

[Samaritan House](#) is collecting NEW items for residents in the shelters, and USED items for neighbors who are part of [Grace Church](#)'s outreach program, which provides food and clothing to the community.

Donate **NEW** Items

Because of the pandemic, we aren't able to have our annual mitten tree this year, but we can still donate NEW items for those in local shelters:

Mittens • Gloves • Hats • Scarves • Socks • Underwear for Men and Women (L and XL items for men especially needed) • Shampoo • Toothpaste • Lotion • Razors • Lip Balm • Deodorant

Donate **USED** Items

We are also collecting clean and gently used winter clothing for men, women, and children in the community who will need them at this time of year:

Warm Sweaters • Coats • Hoodies • Pants, etc.

Drop Off Items by CUUC's Doors

There are containers for smaller, new items like gloves and underwear, and a container specifically for toiletries.

Please leave bulky items such as coats in plastic bags. Put any and all used clothing in a separate plastic bag. **New and used items must be kept separate! Please mark each plastic bag as NEW or USED.** You can use **white** 13-gallon kitchen bags that you can easily write "New" or "Used" on with a marker. You will find some white bags and a permanent marker inside a container.

Donations accepted now through Sun Jan 10, 2021
