LYRICS

#361, **Enter, Rejoice, and Come In**

Enter, rejoice, and come in.

Enter, rejoice, and come in.

Today will be a joyful day;

enter, rejoice, and come in.

Open your ears to the song...

Open your hearts ev'ryone...

Don't be afraid of some change...

Enter, rejoice, and come in...

#131, **Love Will Guide Us**

Love will guide us, peace has tried us,

hope inside us will lead the way

on the road from greed to giving.

Love will guide us through the hard night.

If you cannot sing like angels,

if you cannot speak before thousands,

you can give from deep within you.

You can change the world with your love.

Love will guide us, peace has tried us,

hope inside us will lead the way

on the road from greed to giving.

Love will guide us through the hard night.

Know That You Are Loved

As you leave this place,

know that you belong;

know that you are not alone;

know that you are loved.

LYRICS

Life Calls Us On

Here in reverence now we gather
For the blessings we have know,
with a pledge to one another
that we journey now alone.
Joy and sorrow make us wise,
kin to all that lives and dies;
Love calls us on, love calls us on.

Words and deeds of those before us
waken here to keep us strong;
blend our voices in the chorus
of creation's living song.
Courage bids us life our eyes
Upward to the shining skies;
Hope calls us on, hops calls us on

Loyal guides in love and duty
lead us with a trusted light;
Blest are they whose inward beauty
shows the path of truth and right.
Honor is their earthly prize;
by their work we realize,
faith calls us on, faith calls us on.

We have shared a radiant hour.
When the truth has made us free,
and the spirits gracious power
dreamed of good that yet shall be.
Bright the path before us lies.
Joyful pilgrims now we rise.
Life calls us on, life calls us on.
