

Send Us Your Pet & Wildlife Pics!

Interested in a quick bit of fun? On Sunday, Feb. 25th, our **weekly worship service will be dedicated to Animal Advocacy**. During Sanctuary service, we will **display images of pets that are part of the families of Members and Friends of CUUC**. We also welcome **images of wildlife, too**. It's another expression of our, *"covenant to affirm and promote... respect for the interdependent web of all existence of which we are a part."*

Help us celebrate the notion that animals, domesticated or in the wild, can be an important part of our spiritual journeys, too.

If you have a pet in your family, and are comfortable sharing an image of your loved one, or a favorite wildlife subject in mind, please follow these instructions:

- Take an image of your pet or wildlife subject with your Smartphone. You are, of course, welcome to include images of other family members in that same photo (a/k/a "The Woofie").
- Transmit it via EMail it to John Schwam at JGSchwam@gmail.com, or via Text Message to John at 914.774.4204. **Deadline: Friday, Feb. 16th**.
- When you transmit it to John, AND where you have the option to select a "message size," please select "Medium." (iPhones)

That's it. To keep things simple, **we are relying on a Smartphone based strategy**. If you don't have a Smartphone, find a friend who does – and have them capture the image and transmit to John!
