Terri

*We leave blessed by our connections to one another, to the spirit of life.
Walk lightly that you see the life that is below your feet.
Spread your arms as if you had wings and could dance through the air.
Feel the joy of the breath in your lungs and the fire in your heart.
Live to love and be a blessing on this earth.*

#212 We are Dancing Sarah's Circle

1 We are dancing Sarah's circle, we are
dancing Sarah's circle we are dancing Sarah's
circle, sisters, brothers, all.

2 Here we seek and find our history, here we
seek and find our history, here we seek and
find our history, sisters, brothers, all.

3 We will all do our own naming, we will all do
our own naming, we will all do our own
naming, sisters, brothers, all.

4 Every round a generation, every round a
generation, every round a generation, sisters,
brothers, all.

5 On and on the circle's moving, on and on the
circle's moving, on and on the circle's moving,
sisters, brothers, all.

#1059 May Your Life Be as a Song

May your life be as a song,
Resounding with the dawn
to sing awake the light.
And softly serenade the stars,
Ever dancing circles in the night.

#1009 Meditation on Breathing

When I breathe in,
I'll breathe in peace.
When I breathe out,
I'll breathe out love.
Breathe in, Breathe out,
Breathe in, Breathe out
