Current UUSC Causes

The [Unitarian Universalist Service Committee](http://uusc.org) (UUSC) advances human rights through grassroots collaborations. Current UUSC causes include:

Tell Congress: Prioritize human rights in FY19 immigration funding requests

Do not allow abuse and hate in the name of immigration enforcement. Right now, Congress is actively debating funding that, if approved, can undermine human rights and asylum. Your legislators need to hear from you before they vote! Learn more at uusc.org/initiatives/no-abuse-and-hate-in-immigration-enforcement

Tell Congress to support human rights in Honduras

Tell Congress to support human rights in Honduras and work to ensure U.S. foreign aid and immigration policy reflect the best of U.S. values. Learn more at uusc.org/initiatives/honduras-human-rights

Petition: The Department of Justice must immediately drop all charges against UU Volunteer and respect the right of volunteers to freely practice their faith by caring for migrants on the border.

The administration is pursuing felony criminal charges against Scott Warren, a volunteer with the “No More Deaths” ministry of the Unitarian Universalist Church of Tucson, which provides water, food, socks, blankets, and emergency first-aid to migrants along the US-Mexico border. Warren is on trial for “harboring” two undocumented immigrants after Border Patrol allegedly witnessed him giving food and water to migrants in the desert. From Riverkeeper: Support the New York State Bring Your Own Bag Act

Reducing the use of single-use plastic bags is one of the most meaningful steps that New York can take to reduce pollution from single-use plastic. The NYS BYO Bag Act would ban single-use plastic bags and place a 10-cent fee on paper. The fee would help fund state parks, environmental programs, and free reusable bags for low- and fixed-income New Yorkers. Visit the Riverkeeper Actions Page to become informed and get involved.
