From [Riverkeeper](#): Support the New York State Bring Your Own Bag Act

Reducing the use of single-use plastic bags is one of the most meaningful steps that New York can take to reduce pollution from single-use plastic. The NYS BYO Bag Act would ban single-use plastic bags and place a 10-cent fee on paper. The fee would help fund state parks, environmental programs, and free reusable bags for low- and fixed-income New Yorkers. Visit the [Riverkeeper Actions Page](#) to become informed and get involved.
