**Share the Plate for November:  
The Ecumenical Emergency Food Pantry**

This month we share half our non-pledge collection with the Ecumenical Emergency Food Pantry of White Plains, which was founded in 1979 by CUUC and four other congregations.

November is also our once-a-year appeal for donations to the Food Pantry. Since March 2020, the Pantry has seen an emergency like never before. The number of people serviced has soared to over 400 singles and families. In addition to our neighbors who are poorest, the Pantry now serves folks who were once fairly income secure, until suddenly they weren't due to the Covid-19 economic disaster. They are coming from all corners of Westchester County, where it is estimated that one in five of our neighbors are now nutrition insecure. The Pantry has food available for them every week. Clients receive several bags of nutritious ingredients, including fresh vegetables, meat, and fish.

Please join us in supporting this vital community organization. To make a donation, you can mail checks to the congregation with the memo "Food Pantry." You can also pay online via PayPal at our website, [cucwp.org](http://cucwp.org). Click the yellow Donate button on the right, enter the amount, click "Use this donation for," select "Other," then click the PayPal or Credit Card button. On the next window, click "Write a note" (pencil icon), type in "Food Pantry," then fill in your payment information. *Note that a small percentage of online donations will go to PayPal; you may increase your donation by a few dollars to compensate, if you wish.*

Thank you for your generosity.
