

# ONE STRIDE: CHOSEN FAMILY

**Friday, May 3rd at 7pm | \$10 Admission**

This program explores the history and significance of chosen family to LGBTQ communities. The evening will feature a talk about queer kinship by Sarah Lawrence Professor Dr. Mary A. Porter, a screening of award-winning Director/Producer Stephen Winter's short documentary "One Stride: Chosen Family," a talkback with Winter, and a special performance by The LOFT's Pride Chorus, an LGBTQ family of choice.

Winter's documentary follows the stories of three sets of LGBTQ chosen families, including that of civil rights activist and trailblazer Richard Leitsch, former president of the Mattachine Society.
