

The CUUC Cookbook Fundraiser

This spring, we are creating a CUUC recipe book to be sold at our Variety Show fundraiser on Sat May 12, with all profits benefitting the New American Children's Cultural Enrichment Fund.

This is a great opportunity to share your favorite recipe with the congregation, along with the backstory and a photo – be it your favorite barbecued food, a baked good, or your best martini. Or your child(ren) can submit something they like to cook/bake and the reason why. One entry per family, for space reasons.

Even if you can't make it to the Variety Show, we hope you'll consider including a recipe in the book. We'll have extra copies for sale for the 2 weeks following the show, while supplies last!

If you'd like you or your child to be included, please submit:

- 1 recipe
- Your own introduction/description (up to 200 words): perhaps the story behind why you make it, what the dish or cooking in general mean to you... anything you like in 200 words (which may be edited slightly, with your approval)
- A photo of you/your family in the kitchen or a picture you want to share with the congregation

Please email the recipe and description (in the body of an email is fine) and an attached image to Irene Cox (irene.cox@gmail.com) and Erin Foster (eeffoster@aol.com). We will confirm that we received your entry, so watch for an email reply. **Entries required by Sat Apr 7.**

Remember, participation in the Variety Show is open to all CUUC members and friends, not just RE kids. It's an ultra-fun event, with all proceeds going toward a non-profit selected each year by RE students. This year's recipient, the New American Children's Cultural Enrichment Fund, awards grants to refugee children in Westchester who have often not had the opportunity to play sports, attend performances, or do arts and crafts. This is a wonderful chance to help these kids have new, enriching experiences.

And watch for an email about contributing to the Variety Show Bake Sale. You don't want to miss this event!
