Join the Aroostook County Action Program's IMPACT team for a bad art party in the Presque Isle Housing Authority Community Room on Friday, February 4th. Drop in anytime from 1-4pm!

We will have two party spaces: one for students in grades 9-12 and one for students in grades 5-8.

There will be snacks, drinks, and a hot cocoa and coffee bar to fuel up before we make some truly terrible masterpieces.

The IMPACT team will have everything needed to make the bad art. All you need to bring is yourself. Please keep in mind that bad art parties only have two rules: don't judge yourself or others, and if you can't be bad be bold!

Masks required and available on-site.
