Many of the **most successful entrepreneurs** and business leaders work longer hours and get less return on investment of time and money than they would like.

Perhaps you struggle with some of these challenges:

- **Lack of control** over time, markets or your company
- People who don't listen, understand or **follow through**
- Profit that's inconsistent and/or there is simply not enough
- **Growth is happening**, but you can't break through to the next level

DON'T LET THE BUSINESS RUN YOU!

If you would like to see your business consistently

run better and grow faster

join us for a powerful, inspirational talk presented by John Ward of the Business Traction Center. In this complimentary 90-minute workshop John will introduce you to the Six Key Components™ of a successful business.

At the conclusion of this workshop you will walk away with a set of **simple, practical tools** that you and your leadership team will use immediately to **focus on priorities**, get clear on issues and gain traction together as a **healthier leadership team**.

For more than 20 years John has been helping business owners and leaders get more of what they want from their business. He has worked with organizations large and small creating focus, discipline and accountability that results in healthier more profitable businesses. John's interactive style and experience-based real-world insight makes this an eye-opening event for growth oriented leaders.
