

# 2017 SAME Jacksonville Post Joint Engineer Training Symposium (JETS) August 29-31, 2017 Jacksonville, FL “Securing Our Future”

Please join us for the **2017 Southeastern Tri-Regional SAME Joint Engineer Training Symposium at the Hyatt Regency in Jacksonville, FL**. The symposium theme for 2017 is “Securing our Future” with technical tracks focusing on Resiliency (energy and sea level rise), Construction Management, Business and Environmental Issues. Events will run from 29 August to 31 August 2017.

You will have the opportunity to connect with hundreds of your fellow government, private industry, public sector engineers and scientists who are working to strengthen America’s future through building and sustaining our military’s infrastructure. Representatives from many DOD agencies and organizations have already made commitments to attend this event, including the Naval Facilities Engineering Command Southeast (NAVFAC SE) and the US Army Corps of Engineers South Atlantic Division.

The 2017 Southeast Tri-Regional SAME Joint Engineer Training Symposium will provide attendees with the opportunity to discuss trends, gather information, and network with DOD agency personnel and over 80 exhibitors. By participating in the Tri-Regional Symposium, you will:

- Introduce new ideas, services or products
- Network with potential new clients
- Renew relationships with your current clients
- Earn Professional Development Hours (PDHs)

***We look forward to seeing you in August!***
