

Are You Interested in Being 770 Percent Safer Than the Industry Average? **And sending your employees home safe to their families every day?**

Join us May 16 for a STEP Application Workshop.

We'll show you how.

It's more than possible. It's doable! ABC's Safety Training Evaluation Process (STEP) provides members with a safety benchmarking and improvement tool with proven results. Read more in the ABC 2017 Safety Performance Report at abc.org/SPR. STEP companies know safety success isn't measured by numbers alone. Be recognized for your safety excellence or get started for free today at abc.org/STEP.

Tuesday, May 16, 2017

1:30 to 3:00 p.m.

Haskell Development Center
111 Riverside Avenue, Jacksonville

Instructor: Lance Simons,
Director of Corporate Safety, Haskell

**All ABC Contractor and Supplier
Members are Encouraged to Attend!**

- This workshop is designed for Safety Managers, HR Professionals, Owners or other Safety Program Leaders
- Bring a laptop and your most recent OSHA 300 Form (last three years forms if available) and your EMR.
- Start your STEP Application during class (and maybe finish it too!) Or, follow along and learn how to complete it on your own. Either way, you'll be on your way to STEP certification and a **better safety program.**

Pre-registration is required for this FREE ABC STEP Workshop.
