

**Each year, for children, seniors, and families across nine centers and their satellites throughout Chicagoland, we help provide a holiday experience our families richly deserve but may not otherwise be able to afford themselves.**

Toys can be purchased online here,  
Prior to: 11/28/22:

where they are, and  
provide support where it's  
needed to celebrate the  
season.

Donations ensure we are  
able to meet our families
