Prophetic Integrity Mission Area Team (PI-MAT)

Dear Churches & Clergy,

The Prophetic Integrity Mission Area Team's mandate is to focus on educating local churches and clergy with respect to matters calling for the public voice of the church. The Prophetic Integrity Mission Area Team assumed the social justice responsibilities formerly entrusted to the Commission for Church in Society and World Mission as well as those given to the Resolutions Committee.

The team offers support for churches who are involved in social justice programs and being a prophetic voice by offering [financial grants](#) each year. We provide or sponsor current issue workshops and forums. We work with those who submit resolutions for the Michigan Conference Annual Meeting. We share in the work of implementing the resolutions adopted by the Conference.

We are linking the information needed for you to [submit grant requests](#) any time between now and July 31, 2024. We are also offering [guidelines](#) for submitting proposed resolutions to be presented at the Michigan Conference Annual Meeting on November 1, 2024. Please note that resolutions must be submitted seventy five (75) days in advance of the Conference meeting (August 17).
