

You are invited to join in our celebration!

After only a year and a half of fundraising, the Building Hope campaign is pleased to announce that we will be hosting our Ground-breaking Ceremony and celebration.

Sunday, May 5, 2019

2:00 pm

75 Queen Street East, Orillia

Your support to build the new Lighthouse Community Services Hub over the recent years has been deeply appreciated and we hope you join us as we celebrate this exciting milestone in our campaign. We could not have reached this point without you and we hope you will be able to attend to celebrate as we listen to our Mass Choir bring songs of inspiration, comments by dignitaries, cake and refreshments following the ceremony and of course the official ground breaking!

The opportunity to further put your name on this important project will be available at our celebration. Stop by our table to purchase a legacy item to put your name on the property for our clients, staff and community to see how our extended community participated to make Building Hope a reality for the homeless, hurting and hungry in the Central Ontario region. **All items available at orillialighthouse.ca**

For further information about the event, please contact Lynn Thomas lynn@orillialighthouse.ca

We **HOPE** to see you there!
