

HAVE YOUR SAY

Help us chart a path forward for Orillia's Champlain Monument

The Samuel de Champlain Working Group is inviting the public to participate in a short questionnaire as part of the public consultation process that will guide deliberations on a plan for the Champlain Monument. The questionnaire is available online at www.orillia.ca/champlain and will be available until **4:30 p.m. on April 30, 2019.**

Before filling it out, residents and stakeholders are encouraged to attend a public workshop and review the online resources compiled by the working group on the history surrounding the Monument.

Workshops are being offered at different times and locations across the city to facilitate public participation:

Tuesday, March 19, 10-12pm, Swanmore Hall, Stephen Leacock Museum

Thursday, April 11, 7-9pm, Tudhope Boardroom, Orillia City Centre

Saturday, April 13, 1-3pm, Tournament Room, West Orillia Sports Complex

It is recommended that attendees RSVP for their workshop of choice as space may be limited. Visit orillia.ca/champlain or call 705-325-4530 for further details.
