Orillia Recreation Centre Inaugural Exhibit

‘From Foundry to Future’

As part of the new Orillia Recreation Centre, the City of Orillia has included a free gallery space for artists to display their work.

The theme for its inaugural exhibit is **‘From Foundry to Future’**, which challenges artists to explore the site’s evolution from an industrial centre to state-of-the-art sport and recreation facility. This can be done through new or existing work.

Submission deadline is **August 16, 2019**
