

CANADIAN FEDERATION OF UNIVERSITY WOMEN (CFUW) ORILLIA

CFUW Orillia will be learning about the new Mariposa House Hospice project from their guest speaker Dr. Erika Catford at their meeting on Tuesday, January 22 at Orillia Museum of Art and History, 30 Peter St. South, Orillia, at 7 p.m.

The five-bed hospice will be built just outside of Orillia. Construction is expected to begin in April 2019. Orillia is currently the only major city in the Simcoe County area without a Hospice.

Dr. Catford's passion for providing

palliative care led her to champion the building of Mariposa House Hospice. As co-founder, she obtained provincial funding and land approvals, and kicked off an ambitious fundraising campaign.

Dr. Catford was named a 2018 recipient of the Ontario College of Family Physicians Regional Family Physician of the Year Award.
