When you attend the Sierra College Crab Feed, you're investing in our students.

Proceeds from the Sierra College Crab Feed directly fund scholarships, student support services, and academic programs across campus, including the Aquatics Department, Arts and Theatre programs, Veterans Services, Basic Needs, ESL, History, and more—helping students thrive both inside and outside the classroom. Sierra College Patrons is an active fundraising group under the Sierra College Foundation offering a variety of ways to help our students meet their needs.
