

As you may not know, our club raises funds to support our speaker programs, Junior Gardener program at Mountain Way School, as well as supplement the contribution the town makes for the flowers and Christmas trees in the 96 tubs along Speedwell Avenue.

This year has obviously been challenging for everyone, and our club is no exception. We experienced a budget shortfall since we were not able to hold our two bake sales at the Farmer's Market nor help at the town recycling center. Coupled with the fact that the town has reduced their contribution to the flowers and trees for the tubs, we are faced with the prospect of scaling back the tub tree decorations this Christmas.

One of our club members, Anne Clifford, is a Scentsy consultant. Anne has graciously volunteered to contribute all her commissions for the month of October to the club. This means 25% of all Scentsy purchases made from her website during the month of October 2020- <https://annekathleenc.scentsy.us/party/13035021/all-seasons-garden-club> -- will directly go to help fund our club projects.

This is a great opportunity for anyone looking to shop early for holiday gifts while also helping support the All Seasons Garden Club. We are grateful for the support the community has given us, and we hope that if you are able, you will help us with our October fundraiser.

Thank you from all members of our club.
