

Morris Plains Recreation Fall Programs & Events Update

Due to public health concerns relating to COVID 19, the Recreation Commission has made the difficult decision to cancel the Annual Town Wide Garage Sale scheduled for the first week of October.

If you were looking forward to hosting a Garage Sale that weekend (or any other weekend) Garage Sale Permits are available through Town Hall.

*The Community Center remains closed until further notice.
Fall Recreation Programs have not been scheduled.
Once the Community Center reopens,
programs will be individually evaluated to resume at the Center.*

*The Annual Community Bonfire & Halloween Parade
will be discussed at the September 24th
Recreation Commission Meeting.
Information will follow on the Borough Website
(morrisplainsboro.org).*
