

An invitation to create a **SCARECROW**  
with your family/friends  
for display on Speedwell Avenue!

How to get started crafting your Scarecrow:

- Start with a wooden frame approximately 5 - 6 feet tall with a cross bar of about 2 - 3 feet.
- Build your Scarecrow using any materials or household items - use your imagination!

Once completed, fasten securely to any telephone pole located along Speedwell Avenue in Morris Plains

Scarecrows may be displayed starting October 17th and removed no later than November 30th

Samples of DIY Scarecrows:

Sponsored by Morris Plains Recreation Commission
