

Morris Plains Fire Association

P.O. Box 281
Morris Plains NJ 07950

Dear Resident,

We hope you are doing well. As we continue to endure the effects of a pandemic, the Morris Plains Fire Association has continued to serve the residents of Morris Plains. While we did have some members affected by COVID-19, we never stopped serving you. We have served the Community of Caring for over 113 years.

While many events were cancelled due to the pandemic, the Fire Association was able to adapt some of our community activities to COVID-19 requirements. While there was no Halloween parade or Santa tree lighting, the members were able to provide individual treat bags on Halloween and brought Santa around town on the fire apparatus.

Please remember, we are a 100% volunteer organization dedicated to serving you, our community, when called upon. We receive no pay or benefits for the time we spend responding to fire calls and training. Members spend many additional hours training in specialized techniques including, Vehicle Rescue, High Angle Rescue, Structural Collapse, Hazardous Materials, Incident Command, Fire Prevention, Rope Rescue, Aircraft Firefighting, and Emergency Vehicle Operations. The safety of your family and homes is our only objective.

If the COVID-19 restrictions continue to relax, we will be able to announce the Wet Down celebration for the new ladder truck for all to enjoy. We will announce details over the summer, please watch our Facebook and web page, along with the Town's weekly messenger e-mail.

Remember to make your check payable to Morris Plains Fire Association or M.P.F.A.
