COMMUNITY HELPER GRATITUDE LAWN SIGNS ARE AVAILABLE FOR PURCHASE FOR \$10 EACH.

All funds collected will be donated to the MPSD Teachers Pay Teachers (TpT) account in one lump sum. The TpT account funds are accessible by our district's teachers for the purchasing of educational resources. These resources are helpful for our educators in their incredible leadership to maintain a foundation during the changing winds our school community is currently navigating.

*To purchase a sign for your yard, or for placement on approved public grounds,
please contact Morris Plains resident Keri Rutkowski using the contact information below.
Donations are accepted through cash and venmo.*
