TRAIL DEVELOPMENT & MAINTENANCE GRANT APPLICATION

1. Application Description *(fillable boxes below, if more space required please attach separate word document)*

a) Project description, including background:

b) **Trail Management** – Please provide a detailed description of your previous experience in managing trail construction. Also address your plans for long-term management and maintenance of your trail project. Your volunteer support should also be described.

c) **Respect for the Environment and Sustainable Trail Development** - *sustainability means using, developing and protecting resources in a manner that enables people to meet current needs and at the same time provides for the needs of future generations from the joint perspective of environmental, economic and community objectives.*

Please indicate how your project will enhance trail sustainability (i.e. rehabilitates existing trail, erosion control, trail relocation from environmentally sensitive areas, etc).

d) **Significance of Trail System** – Connections between existing trails with regions and between regional trails systems enhance rider experiences and support sustainable trails by dispersing recreationists across the terrain. Please describe how your project will enhance connections with existing trail networks.

TRAIL DEVELOPMENT & MAINTENANCE GRANT APPLICATION

- e) **Project Timeline** – provide a timeline for the project, please note that all projects must be completed by November 1
- f) **Any other relevant information** including any authorizations if necessary. (Note permission from local recreation officer must accompany application if applicable.)
- g) **Describe your plans to acknowledge** the contribution of ATVBC and any other partners.

Please see the Trail Development & Maintenance Grant Program Guidelines for list of eligible projects, payment of grants, and general info on the application process.

Final Reporting – all projects must be completed by NOVEMBER 1ST this includes submitting receipts, final report, and photos of completed project.
