

Springfield Country Club

As you may know, Tennis Pro Alex Sarihan's last day at the Club will be June 30th. Alex is taking a full-time position in another field. We wish Alex all the best.

The Club has arranged to have Danielle Stickley available for tennis lessons for the remainder of the summer. Like Alex, Danielle will be using the Club courts as an independent contractor for SCC members. All lessons and clinics will be arranged through, and paid directly to, the Tennis Professional.
