

SEEKING PARTICIPANTS: LGBTQ2+ FILM

People often stigmatize things they don't understand. This includes sexual orientation and gender identity. In an effort to destigmatize and create new understandings of sexual orientation and gender identity in American Indian and Alaska Native people, the Northwest Portland Area Indian Health Board is creating a short film highlighting these experiences to show the beauty and diversity of this community.

Are you a good fit?

- Are you American Indian or Alaska Native?
- Are you lesbian, gay, bisexual, trans, queer, or two-spirit (LGBTQ2+)?
- Are you willing to share your story and experience?

Will there be compensation for time and effort? Yes, compensation will be at a rate of \$500 dollars per day.

Production Dates and Location

Dates will be in late spring. Location: we can come to you!
