

**Ryan James Boyle** is a Vice President and Senior Economist within the Global Risk Management division of Northern Trust. In this role, Ryan is responsible for briefing clients and partners on the economy and business conditions, supporting internal stress testing and capital allocation processes, and publishing economic commentaries.

Prior to joining Northern Trust, Ryan held multiple management roles at TransUnion. He researched and reported on trends and key topics in the consumer credit industry, and he led initiatives to improve the breadth, depth, and quality of data reported on consumer files. Before TransUnion, Ryan worked as an economic consultant at Navigant Consulting, supporting expert testimony in competition and securities litigation. He started his career as a business analyst at ABN AMRO/LaSalle Bank.

Ryan holds an MBA from the University of Chicago Booth School of Business and a bachelor's degree in computer science, with highest honors, from DePaul University. In addition, Ryan completed the Graduate School of Banking at the University of Wisconsin-Madison.
