Head of Fixed Income, CIO Americas  
UBS Global Wealth Management

## About

Kurt rejoined UBS in June 2024 as Head of Fixed Income for CIO Americas based in New York after spending 10 years at BlackRock as a senior investment strategist for the BlackRock Investment Institute.

Prior to joining BlackRock, Kurt was the Head of Thematic Research at UBS in New York and Zurich, and published innovative research on topics ranging from demographics to sustainability and geopolitics. Kurt joined PaineWebber in 1999 as a fixed income strategist and later became the architect of the firm's preferred stock research offering and the co-head of the UBS CIO fixed income strategy team.

Kurt discusses his research and investment views regularly in the financial news media, including CNBC, Yahoo! Finance, BNN Bloomberg, the Financial Post, and the Globe and Mail.

Kurt earned his bachelor's degree in business and economics from the State University of New York at Plattsburgh, and his master's degree in international relations with a concentration in international economics from the Johns Hopkins University School of Advanced International Studies in Washington, DC.
