

Have you served in the U.S. Military?

Do you know of a veteran
who needs a safe home and
assistance in rebuilding
their life?

Community Hope Can Help!

The Hope for Veterans Program of Community Hope, Inc. is a program that helps veterans overcome homelessness, substance use and mental health problems in a safe, supportive environment.

The program provides linkage to VA and community resources, along with individual and group counseling, financial counseling, case management, employment services and housing search support.
