Why: The purpose of the fundraiser is to raise money for authentic experiences for our students both on and off campus. Along with the authentic experiences we would like to integrate our students into the community. By integrating our students into the community, we reinforce the social skills we work hard to teach our students. The community will also be able to meet our students and get to know them. We look forward to teaming up with the community in supporting the students at BW Robinson State School.

B.W. Robinson is one of 34 schools that make up the Missouri Schools for Severely Disabled Children (MSSD). We currently have an enrollment of 30 students, but we continue to grow. We are located next to Wyman Elementary on Lannig Lane in Rolla and serve the surrounding counties of Crawford, Gasconade, Laclede, Maries, Phelps, and Pulaski.

In previous years our communities have provided tremendous support to our school and our students. The purpose of our 2026 fundraiser is to raise money for authentic experiences for our students, both on and off campus. Along with the authentic experiences we would like to integrate our students into the community. By integrating our students into the community, we reinforce the social skills we work hard to teach our students. The community will also be able to meet our students and get to know them. We look forward to teaming up with the community in supporting the students at BW Robinson State School.

A minimum donation of \$100 is required to have your company logo on the back of a T-shirt. A donation of \$75 will get your company name on the back. If you donate \$75 or more, you will receive a T-shirt in the size indicated below. Donations of any amount are greatly appreciated. We've included a flyer and would appreciate it if you could help us promote our event by posting it in your place of business. Our staff, families, and students are grateful for your support.
