QUESTIONS YOU MIGHT HAVE

“Who is Pregnancy Resource Center?”

Pregnancy Resource Center is an organization that helps women who are dealing with a crisis pregnancy. Founded in 2006, PRC is one of the most successful and cutting edge pregnancy centers in the country. They are very much a pro-life organization but they are non-political, non-judgmental, non-confrontational and never tell anyone what they can or can't do. They simply help people in their time of great need. Since they opened their doors, nearly 3,400 babies have been saved while only nine were lost to abortion. This gives them a 99.7% success rate!

All of PRC's services are free of charge and include pregnancy tests, ultrasounds, crisis life coaching, material assistance, parenting classes, housing, adoption referrals and post abortive counseling.

“What's new in 2021?”

In January PRC of Rolla added BRIDGES, a transformational home for mothers. More than a maternity home, BRIDGES is a comprehensive program that guides women from homelessness to self-sufficiency. Their exclusive curriculum, *My Ridiculously Amazing Life*©, literally guides them to self-sufficiency. Every mother that has launched from the home has done so standing on their own two feet, without government support, debt free and able to make it on their own.

“If I walk for PRC, will I really make a difference?”

Absolutely!! In 2020 each sponsored walker raised enough to save two babies!! Not only will you make a difference, you will save babies by walking with us! It is a mathematical certainty! While some walkers raised \$150, some raised as much as \$5,000, but it averaged out to two babies saved per walker! Because of PRC's extremely high success rate combined with their reasonable overhead, it only costs about \$500 to save each baby!

“I want to walk! How do I get started?”

There are two easy ways to get started saving babies! First go to www.supportmyprc.com then click the “events” dropdown and select Walk for Life. Click on the “**Sign Up**” button. On the next screen click on the “**Participate**” button to get registered. Once this is completed, your very own Walk for Life webpage will be created! A video will play showing you how easy it is to personalize your page, adding photos, setting your goal and adding your own personal message. Next, use the power of the internet to ask your friends, family and co-workers to sponsor you via Facebook, Twitter and your personal e-mail. Be sure to share your page often to social media!

Second, use this form to ask people to sponsor you in person. Simply ask your friends, family, neighbors and co-workers to sponsor you in your Walk for Life. You will be surprised at how many of them will say “Yes” and just how easy it will be for you to earn your Lifesaver Prizes! If you have questions or need help with your personal Walk for Life web page or the walk form, simply call PRC's office at 573-368-5700.
