of Southeastern Pennsylvania

Dear JA SEPA Family,

As we prepare for summer programming and the end of our fiscal year, I want to thank you for all of your support this school year. We would not have been able to provide opportunities for young people across the region without your generous support, partnership, and time.

We believe in the boundless potential of young people and look forward to continuing to work with each of you this summer and next school year.

I would love to hear from you. Send me a note and share your favorite JA moment this year or reach out so we can grab a cup of coffee this summer. You are our village and we are grateful for all you do.

In partnership,

Stephanie Gambone
