

My name is Karen Larocque and my husband, and I own Canine Watersports Canada (CWC). This year is our 10-year anniversary operating as CWC so we want to make it very special and having you as part of it would be AMAZING!

Canine Watersports Canada has been invited for the third year to do an event on the waterfront of beautiful Prescott, ON from June 28th - July 1st (4 DAYS!) and we would like to invite your business to join us and be part of the event.

Canine Watersports Canada Canine Watersports Canada is Canada's FIRST dock jumping organization and is 100% Canadian owned and operated!!! It's wet, wild, and most of all, wonderfully wholesome entertainment for every member of the family.

Our events feature, a dog-and-handler team atop a 36-foot dock, adjacent a 45-foot-long pool filled with water. Dogs flying through the air and landing in the water with a dramatic—and occasionally audience-drenching—splash. It attracts many enthusiastic spectators who are inspired and delighted with the showmanship of the dogs and owners engaged in competition and we expect this event to attract competitors from all over Ontario, and Quebec.

Canine Watersports Canada is currently seeking your sponsorship to promote the Making A Splash On Canada Day event. As a sponsor you will be showing your support for Prescott as well as enabling us to have the event in your town, while providing you with a wonderful opportunity for us to deliver your marketing message and brand directly to competitors and audience while enjoying the most unique and fastest growing dog sport in Canada today.

Please join our 10th year celebrations and help us provide your town with a great event which will not only help us, but your sponsorship will also help local small businesses, like restaurants and tourism too.
