

I use the Dagara Cosmology Wheel as my logo.

I use the **Dagara Cosmology Wheel** with permission from Dr. Malidoma Patrice Somé—a world-renowned Dagara Elder, Diviner, Author, and Teacher of Indigenous Technologies from West Africa. Dr. Somé was born in a Dagara community in Burkina Faso and holds two PhDs and three Master's Degrees.

I was very moved by the beauty and meaning of the **Dagara Cosmology Wheel** as Dr. Somé explains in his book, THE HEALING WISDOM OF AFRICA: *Finding Life Purpose through Nature, Ritual and Community*.

While attending one of Dr. Somé's workshops (in Asheville, North Carolina—2005), I asked him if I could use the **Dagara Cosmology Wheel**—that was used in his book—with my projects; **and he graciously granted permission.**
