

Indiana Builders Association 2020 General Election **Voter Guide**

Given the impact that regulations have on the home building industry, supporting pro-housing and pro-business candidates for elective office is critical.

Indiana's General Election will be held on November 3, 2020, and the following offices are on the ballot: President of the United States, nine candidates for the U.S. House of Representatives, state executive offices of Governor, Lieutenant Governor, and Secretary of State, twenty-five (of fifty) state senators, and all of Indiana's one hundred state representatives.

Indiana Builders Association's 2020 Voter Guide provides a list of NAHB BUILD-PAC and Indiana Builders PAC-supported candidates on the ballot for the General Election. Please support those who support housing by voting on November 3 and donating to our state and national PACs at <https://buildindiana.org/contribute/>.

Visit <https://indianavoters.in.gov/> to request to vote absentee-by-mail (deadline Oct. 22) and find your polling location for in-person voting early (Oct. 6-Nov. 2) or on election day Nov. 3, 6 a.m.-6 p.m.

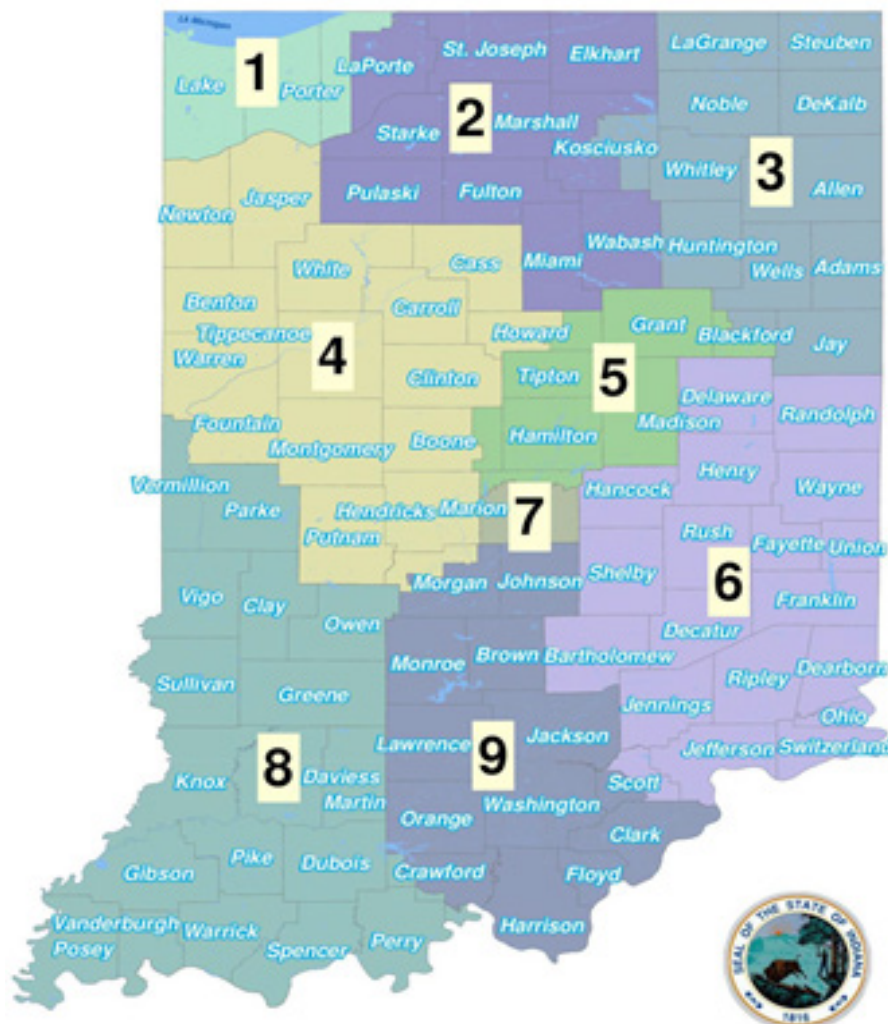

Indiana Builders PAC, Indiana Builders Association's political action committee, is an essential part of IBA's advocacy program. Indiana Builders PAC maximizes political contributions from association members by supporting pro-housing candidates and incumbents for both state-wide office and the Indiana General Assembly. It is through voluntary contributions that Indiana Builders PAC can help preserve a positive political climate for the residential construction and development industry in Indiana. All contributions to Indiana Builders PAC are voluntary and are not tax deductible for federal income tax purposes. Paid for by the Indiana Builders PAC.
