Fairfax County Government

On February 20, 2018, County Executive Bryan Hill presented the FY2019 Advertised Budget Plan to the Fairfax County Board of Supervisors. The proposed General Fund budget is \$4.29 billion, a \$192.32 million (or 4.69 percent) increase over the current FY 2018 Adopted Budget

Including other appropriated funds such as federal and state grants, the total proposed budget is \$8.42 billion.

The proposed budget includes a 2.5 cent increase in the real estate tax rate, which would result in an average tax bill increase of \$268 for homeowners. The real estate tax rate would increase from the current rate of \$1.13 to \$1.155 per \$100 of assessed value.

Before the County Budget Plan is adopted on May 1, 2018, you will have an opportunity to review the plan, and express your concerns, recommendations or thoughts to your Supervisor at future Budget Town Hall meetings and Public Hearing.

Fairfax County Public Schools

The Fairfax County School Board has adopted the FY 2019 Advertised Budget of \$2.9 billion, an increase of 4.9 percent, or \$118.9 million, over the FY 2018 Approved Budget. The FY 2019 budget includes an additional \$53.1 million as part of a multi-year plan to enhance teacher salaries and make them more competitive, and \$43.9 million for a step increase for all eligible employees.
