

## BIO

Harry is a results-driven Non-QM Account Executive at Cake Mortgage Corp with over 14 years of experience in the mortgage industry. With a strong foundation in direct-to-consumer mortgage origination—where he has closed thousands of loan units—Harry brings a producer’s mindset and a proven track record of performance to every partnership.

He specializes in Non-QM lending solutions, helping mortgage brokers unlock opportunities for borrowers who don’t fit traditional guidelines, including self-employed clients, real estate investors, and complex income scenarios. Harry is known for his ability to quickly structure deals, overcome obstacles, and deliver fast, reliable answers that keep loans moving and clients satisfied.

Focused on growth and results, Harry works side-by-side with his broker partners to help them close more deals, expand their product offerings, and increase revenue. His approach is aggressive, responsive, and solution-oriented—making him a go-to resource for brokers looking to win more business in the Non-QM space.

Harry’s commitment is simple: bring value, move deals, and help his partners succeed at a higher level.
