

James Francis Agoglia is proud owner of Ram Abstract Ltd. for over 30 years. With over 250,000 closings under our belt from complex commercial transactions to new developments to residential deals, let us be your title solution.

My biggest accomplishment is 5 great kids Franny (24), James Jr. (23), Christian (23), Cece (21), & Robbie (21) as well as 30 years of marriage to my great wife Lorraine.

A graduate of Fordham University, I chose to name my company Ram Title because I am truly proud of what a wonderful foundation I received at the Rose Hill Campus. Now here we are 30+ years later making the closing process seamless.

We have a footprint in NY, NJ, FLA, & PA in handling all your title insurance needs. We are “Title Insurance Headquarters”.
