

Important News from the Office of Admissions...

Dear Royal Palm Academy Families,

Thank you for your overwhelming response to our re-enrollment reminders. We thank you for taking the first step toward what we know will be an amazing year ahead!

The **March 1st deadline is quickly approaching**, and we ask that you please complete your enrollment packet as soon as possible. Due to the ever-increasing popularity of private schools, our brand recognition, and the restricted space in the classrooms, wait pools are highly anticipated for several grades this year.

For those of you wondering, “Will my class actually fill up?”; We say, “Yes!”. This year, it is highly probable. We now have 20 applications already being processed and waiting for an answer. That is 6 more since our last reminder on Sunday! Applications and inquiries are coming in every day.

We value your family and your partnership. Please complete your child’s reenrollment packet today or risk losing your child’s spot. The Reenrollment packet can be found in your [FACTS Family Portal](#). (District code: rpa-fl)

Royal Palm Academy offers financial assistance to families with demonstrated financial need, as determined by RPA using the FACTS Grant & Aid assessment process. **Funds are limited and families are encouraged to complete the process as early as possible.** Please visit the [RPA website](#) for additional information.
